### Located at North Gate Farm

Here at HHEDC, we are serious about providing each child with an experience filled with fun, friends and wonderful horses and ponies!

No matter what your child's experience level may be, our staff will provide a fun and safe program that will develop riding and horsemanship skills and most importantly they will have a good time and meet new friends while doing it!

The farm has an indoor riding arena so the fun at camp continues RAIN or SHINE! The farm has two outdoor riding arenas and miles of riding trails.

The Camp Program is open to all levels of riders from complete beginners to polished show riders ages 6 to 15 years. Camp is an ideal place to start your child riding. **NO prior riding experience is necessary!**

Our past summers have been filled with great families and a lot of fun and excitement! We look forward to seeing many familiar faces this season as well as meeting new friends and families.
